

**Westchester's First "Perfume Studio" at  
Bodicures**

You are invited to attend an  
**Exciting Custom Perfume Event  
"CELEBRATION OF THE SENSES"**

---

Meet  
**Sue Phillips International Fragrance Expert**

known for having created, developed and launched TIFFANY perfume for their 150th Anniversary as well as Burberry, Chanel, Chopard and Trish McEvoy to name a few.

Your "Fragrance Journey" begins with 18 different perfume blends created by a world-famous perfumer and designed to be worn in combination or alone. You will evaluate each by dipping blotter strips into these exquisite blends. At the end of the journey you will narrow down three or four blends that you love to create your own "personal" formula, packaged in a beautiful designer purse spray.
